COVID-19 Protocol

IMPORTANT

- All participants must be registered individually!
- Pre-registration via the internet is mandatory.
- Please remember to have your ID card with you.

Please enquire before your trip whether there are any restrictions on entering Germany!

ATTENTION

The Igedo Company grants you access to the Areal Böhler according to the **VTR principle: vaccinated, tested, recovered.**

VTR (3G) checkpoints will be set up at Areal Böhler. Your status must be checked at these checkpoints and your ticket must be activated. You will find the checkpoints clearly visible on the way from the car park to the entrance.

- **If you are fully vaccinated:**
  Please bring your official vaccination certificate as a document or in digital form/APP. You will need to show this to gain access.

- If you have not yet been (fully) vaccinated but **have a negative test result**:
  Please present your negative test result valid for the day of your visit for access.

- If you have had COVID 19 within the last **3 months** and have been **recovering for more than 28 days:**
  Please bring written proof or proof in digital form/APP to gain access.

COVID Test

If you are not (fully) vaccinated or recovered and do not have a negative test result, you can get a Covid-19 test on site at Areal Böhler.

We offer daily PoC tests (ANTIGEN FAST TEST) and PCR tests (89€) at the test station. Both tests for SARS-CoV-2 are carried out via a nasal or throat swab. With the PoC test, you will receive the test result encrypted by e-mail after only 30 minutes. The result of the PCR test in German and English is usually sent within 24 hours.

Please book an appointment online and bring your QR code and identity card.
Registration-Link: https://app.no-q.info/covid-test-team/checkins#/

If the rapid test is positive, you go directly into quarantine so as not to endanger family members or work colleagues. If your test is negative, you have access to the entrance area of **FASHN ROOMS.**
